September News

It has been an interesting start to the school year. However, seeing the children back this school year so happy and interacting with their friends has shown us just how resilient our little ones are. It has been a pleasure seeing all the children's smiles again and welcoming our new students to Krescent City Kids family.

We will be having an Open House on September 22nd @6pm. Come out and explore the school to see what your kids are doing and talk to their teachers. So, bring your family and friends out and see what Krescent City Kids has to Offer.

Back to school picture will be. September 15th @9am. All students must be in full uniform.
